

Reminder!

Wilkhahn press programme at the ICSID International Design Congress in Hanover on 7 and 8 September

This year the ICSID International Design Congress is to be held in Germany for the first time in its history – in Hanover and then in Berlin. It is, in fact, high time. After all, the Deutsche Werkstätten, the Deutscher Werkbund, Bauhaus and the Ulmer Hochschule für Gestaltung are regarded as being instrumental to the birth and inspiration of the Modern Age.

These developments have influenced Wilkhahn's history more than they have that of any other office furniture manufacturer. For this reason, Wilkhahn is actively involved as an official ICSID partner with the aim of enabling the Congress to take place in collaboration with other sponsors. In addition, Wilkhahn is also involved in terms of contents and concepts in several exhibitions and events surrounding the ICSID.

We would like to invite you to attend the Wilkhahn press programme on the occasion of the ICSID in Hanover on 7 and 8 September.

Have a look at the detailed schedule in the enclosed programme which we developed exclusively for you!

If you did not yet register at the press programme please let us know by 20 August at very the latest, whether you participate or not – by email or to the fax number 0049 5042 999 450!

You will then be sent the reservation documents in time.

To enable us to make appropriate arrangements, please indicate below whether you will be attending the ICSID Congress in any case and whether we should undertake to arrange for your accreditation for the Congress and hotel accommodation (7 – 8 September)

- I will be attending the ICSID Congress on 7 and 8 September in any case
- I will be coming just for Wilkhahn press programme
- Sorry, I won't come to the ICSID Congress.
